

Position:	Program Facilitator (Full Time, Part time and On-Call Positions available)		
Rate of Pay:	\$15.00 - \$20.00 / hour	Hours / Week	Part Time or Full Time available
Winter Season	December – April	Summer Season	May - September

Job Description

Equinox Adventures in Whitehorse Yukon Canada provides quality adventure experiences in engaging environments for a variety of clientele. An Adventure Program Facilitator is responsible for the implementation of one or more of the following programs: Rock Climbing, Climbing Wall, Zipline, Teambuilding, Canoeing and Ice Climbing. They should have a passion for working with groups while maintaining a safe, positive and adventurous environment.

Rock Climbing on real rock takes place at a variety of location in and around Whitehorse. All are single pitch with slingshot belay.

Canoeing is mostly done with Canoe Cata-rafts on the Yukon and Takhini Rivers

GP Teaming is a leadership development program. Small groups use GPS to find waypoints, where they do initiative tasks. The program focuses on problem solving, trust, communication, risk taking, and time management.

Ice Towers are constructed in November and operational from mid December to early April. Programs include ice climbing and ice trekking for groups and individuals.

Qualifications:

- Current First Aid and CPR certification (or in the process of attaining)
- Experience working with groups
- Experience with adventure activities
- Energetic and engaging personality
- Industry recognized certification and/or training from previous employment are an asset

Position:	Equinox Adventure Camp Coordinator		
Rate of Pay:	\$18 - \$22 / hour	Hours / Week	40 (Monday – Friday)
Start Date:	Spring Break	End Date:	Permanent ~ 2 months off /yr.

Job Description

Equinox Adventures in Whitehorse Yukon Canada provides quality adventure experiences in engaging environments for a variety of clientele. Core components include Rock Climbing, Zipline, GP Teaming, Canoeing, and Ice Climbing in the winter. “Adventure Day Camp” runs for 10 weeks throughout the summer. Campers are involved in various adventure based activities including: canoeing, rock climbing, zip line, outdoor survival skills, raft building, river trips and an overnight camping experience. In the spring we are busy with School Groups.

The goal of Equinox programming is to expose our clients to a variety of adventure based activities in a safe and structured environment. Skills instruction, Encouragement and Safety are the primary program components. Clients are encouraged to try new things, expand their skill base while being part of a team environment.

The Operations Coordinator is responsible for a variety of aspects including:

- Marketing ~ developing and distributing print, email and social media material
- Managing group bookings and daily tour sign up. Responding to inquiries by phone and email
- Managing Camper registrations (mailing out camper packages, processing registration forms and camper fees)
- Frequent communication with clients and camper parents (including a pre-camp check in)
- Support of Day Camp Leaders (of which there are 2 to 4), including shopping for program supplies
- Ensuring all aspects of general operations and camp are organized and prepared
- Interact with clients, campers and other staff to provide positive role modeling, support and supervision
- Assisting with instructing adventure based activities
- Working with other staff to develop, plan, organize, facilitate and evaluate new and existing programs
- Ensuring a high level of safety is maintained in all aspects of operation
- Providing evaluations of programs

This is a Full Time position Mon – Fri for a total of 40 hours / week and quasi-seasonal position ~2 months off in the Fall and Spring. The work is divided into 50% office time, 20% working with groups and 30% running around. The office is located in Whitehorse; personal transportation is required.

Qualifications:

- Experience working with children, youth and adults
- Experience with Gmail, Word, Photoshop and other computer programs
- Excellent oral / written communication skills and excellent organizational skills
- Experience coordinating programs and events
- Current Standard First Aid and Current Basic Rescuer CPR (level C)

Other Desirables:

- Experience working at a Day Camp, Residential Camp, or similar children’s program
- Experience training and supervising peers
- Experience teaching and / or supervising rock climbing
- Class 2 drivers license (school bus)
- Current Bronze Medallion or higher

Position:	Equinox Adventure Camp Leaders		
Rate of Pay:	\$15 - \$20 /hr	Hours / Week	40 (Monday – Friday) +overnight hours for “ALP” leader
Start Date:	Late May	End Date:	End of August

Job Description

Equinox Adventures in Whitehorse Yukon Canada provides quality adventure experiences in engaging environments for a variety of clientele. We run a weekly day camp for children and youth ~ “Equinox Adventure Camp”. Three groups per week, Monday to Friday for 10 weeks throughout the summer. One group is for younger children aged 5-11, the other for youth aged 11-13. Campers are involved in various adventure based activities including: canoeing, rock climbing, zip line, outdoor survival skills, raft building, river trips and an overnight camping experience.

The goal of Equinox Adventure Camp is to expose children and youth to a variety of adventure based activities in a safe and structured environment. Participants are provided with instruction in each activity and are encouraged to try new things and expand their skill base. All activities are designed to allow for individuals to learn at their own rate while being part of a team environment.

The Day Camp Leader will be responsible for:

- Working with children and youth aged 5-13yrs.
- Developing, planning, organizing, co-facilitating and evaluating a variety of adventure based activities
- Facilitating activities with a leadership focus to increase the campers leadership and teambuilding skills
- Striving to maintain a high level of excellence and creativity while facilitating camp programs
- Ensuring a high level of safety is maintained in all aspects of camp
- Sustaining a consistent level of enthusiasm and energy while working with the campers and staff
- Being aware that campers always feel safe and supported
- Working as part of a team (with the Manager, Adventure Camp Coordinator and other Camp Leaders)
- Communicating with parents at the start and end of each day
- Participating in a 5-day pre-camp training session prior to the start of camp

The Day Camp Leader will work from Monday – Friday for a total of 40 hours / week (plus Wednesday & Thursday overnight camping trips for the Adventure Leadership Program Leader). They will always work with at least one other facilitator while running programs for campers.

Desirables:

- Current Standard First Aid and CPR (level C)
- Current Bronze Medallion (or higher)
- Canoeing and camping experience
- Experience working with children and youth
- Experience working at a Day Camp, Residential Camp, or similar children’s program
- Experience leading children’s programs (ie: day camp, swim/ski/soccer/etc. lessons)
- Energetic and creative personality
- Excellent organizational skills
- Experience teaching and / or supervising rock climbing *is an asset*
